Incident Report

Bakersfield Fire Department

2013-1304676 -000

Narratives

Bakersfield. The local station is 15. The general description of this property is 24-hour care nursing home, 4 or more persons. The primary task(s) performed at the scene by responding personnel was to provide basic life support (BLS). No mutual/automatic aid was given or received.

One patient was involved with this incident.

Alarm number 1304676 has been assigned to this incident.

E15 was dispatched to a medical aid for a patient in apparent cardiac arrest. While enroute, E15 was contacted by ECC via radio and advised the facility was refusing to initiate CPR. E15 arrived on scene simultaneously with Hall Ambulance. E15 personnel proceeded to the dining room and found a female patient to be pulseless, non breathing, and lying supine on the floor. Co15 made contact with the facility LVN and received the patients paperwork. No DNR was present. Co15 advised E15 personnel to immediately initiate CPR. Hall Ambulance personnel arrived and took over primary care of the patient. E15 personnel assisted Hall Ambulance with CPR and the packaging of the patient. The patient was transported to Mercy Southwest Hospital by Hall Ambulance personnel staffing unit #72. FF Zamora remained with Hall Ambulance personnel during patient transport. E15 proceeded to Mercy Southwest, retrieved FF Zamora, completed assignment, and returned to quarters.
